

## Quick Start Guide

- **Before:** A Number for your Z-20  
A Number for your VP-200®  
A Number for your iPhone
- **Now:** 1 Number for all of your devices
- **Now:** You do not have to remember all your numbers anymore
- Decide which phone is your primary phone (must be a Z4, Z-20, Z-Ojo, Z-150 or Z-340)
- Your other phones will have secondary numbers (can be a VP-200®)
- Go to My Profile on **ZVRS.COM**
- Click 1Number on the left column
- Drag and drop your primary phone to the **primary** box
- Drag and drop your other phone(s) to the **secondary** box(es)
- Click "Save Changes" on the bottom
- When someone calls your 1Number, your secondary numbers and the primary number will ring at the **same** time
- You can answer the call from any of those devices!
